JAMIE STEVENS

"I joined The Fellowship knowing the potential it would give me to pursue my career goals. It started when I was in The F.A.M.E. Team and that was a real platform for me.

The opportunities include Fellowship events and ClubStar membership. Being part of The Fellowship is something I am very proud of"

SIMON TUCKWELL

I wouldn't be in the position I am in now without the support of The Fellowship. There's no other organization like it and one I am so proud to be a part of it. It is a never ending source of creativity, knowledge and passion."
